

Composed, performed, produced, mastered, photography, design and art direction by Cesar "M1A1" Alexandre.

All the songs were written in March 2012.

There is Hope Between Me and You
The Overrated Citizen In Suwon
We Will Live The Winter Together Too?
Enlightened Rain
Loveless Triangle

This album is dedicated to Kristen Morris and Lee Soon.

Thank you: Ableton, Guitar Center, Native Instruments, Spectrasonics, Analogue Haven, Waves, Sequential Circuits, Cycling '84, Akai, Musicradar, Sony Media Software, iZotope and Image-Line.

Special thanks for my friends and Soundcloud followers that helped me on this album, directly or indirectly, especially Leonardo Santos, Frederico Zica, Bruno Arnason, Shane "SAC666", Valiska, J. Bija, Bram Van Den "gluid" Oever, Tone Roumel, Aturax and Cliff Fielding.

Thank you for listening, downloading, sharing and, maybe, enjoying the album. Please, listen to this album in its entirety at least one time. Do you like it? So, share with your friends, enemies, girlfriends or even strangers. That's how music works.

I hope you and your mind are ok.
