## Sometimes we need patience to find solutions

### lintian

- Policy checker important for packaging
- Suggestion to check earlier in build-process (bug #1076759)

- Found volunteer for `lintian.debian.org`
- Maintainer could use more help → any volunteers?

### tag2upload

- Pushing a signed Git tag instead of uploading a bunch of files
- Written in 2019
- Finally agreement how to deploy 2024

### General decision making

- Sometimes its not clear who is in a team
